“Lesslie brings many years of experience to our Board. Her business acumen and knowledge of Foresight will serve the Board well. I look forward to working with her in the years to come,” said Mr. Robert D. Moore, Foresight’s President, Chief Executive Officer, and Chairman of the Board.

### **About Foresight Energy LP**

Foresight is a leading producer and marketer of thermal coal controlling nearly 2.1 billion tons of coal reserves in the Illinois Basin. Foresight currently operates two longwall mining complexes with three longwall mining systems (Williamson (one longwall mining system) and Sugar Camp (two longwall mining systems)), one continuous mining operation (Macoupin) and the Sitran river terminal on the Ohio River. Additionally, Foresight has recently resumed continuous miner production at its Hillsboro complex and continues to evaluate potential future mining options. Foresight’s operations are strategically located near multiple rail and river transportation access points, providing transportation cost certainty and flexibility to direct shipments to the domestic and

international markets.
