### **Item 1.01 Entry into a Material Definitive Agreement.**

As previously disclosed, on December 13, 2019, Foresight Energy LLC and Foresight Energy Finance Corporation (wholly owned subsidiaries of Foresight Energy LP (the “**Partnership**”)) (together, the “**Issuers**”) solicited the consent of the holders (the “**Holders**”) (such solicitation, the “**Consent Solicitation**”) of the Issuers’ 11.50% Second Lien Senior Secured Notes due 2023 (the “**Notes**”) to amend (such amendments, the “**Amendments**”) the indenture governing the Notes (as amended, supplemented or otherwise modified from time to time, the “**Indenture**”), as more fully described below. The Consent Solicitation expired at 5:00 p.m., New York City time, on December 19, 2019 (the “**Expiration Time**”).

As of the Expiration Time, the Issuers had received consents to the Amendments from Holders of at least a majority in aggregate principal amount of the outstanding Notes not owned by the Issuers or their affiliates. As a result, on December 19, 2019, the Issuers, the guarantors party thereto and Wilmington Trust, National Association, the trustee (the “**Trustee**”) for the Notes, entered into a second supplemental indenture (the “**Second Supplemental Indenture**”) providing for the Amendments to the Indenture.

The Amendments (i) amend Section 6.01(b) of the Indenture to extend the grace period for payment of interest due on the Notes from 90 days to 150 days and (ii) amend Section 4.03 of the Indenture to eliminate the requirement that the Issuers periodically hold a publicly accessible conference call to discuss the Issuers’ financial information for the relevant fiscal period.

The Partnership continues to engage in discussions with its creditor constituencies and explore potential restructuring alternatives.

The foregoing descriptions of the Amendments, the Second Supplemental Indenture and the Indenture are qualified in their entirety by reference to the full text of the Second Supplemental Indenture, the First Supplemental Indenture dated as of October 30, 2019 and the Indenture, each of which is incorporated herein by reference to **Exhibit 4.1**, **Exhibit 4.2** and **Exhibit 4.3** to this Current Report on Form 8-K, respectively.

### **Item 3.03 Material Modification to Rights of Security Holders.**

The disclosure set forth in Item 1.01 of this Current Report on Form 8-K is incorporated into this item by reference.

### **CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS**

These forward-looking statements are based on the Partnership’s current expectations and beliefs concerning future developments and their potential effect on us. While management believes that these forward-looking statements are reasonable as and when made, there can be no assurance that the future developments affecting us will be those that we anticipate.

We continue to experience substantial financial, business, operational and reputational risks that threaten our ability to continue as a going concern and could materially affect our present expectations and projections. For additional information regarding known material factors that could cause our actual results to differ from those contained in or implied by forward-looking statements, please see the section entitled “Risk Factors” in the Partnership’s Annual Report on Form 10-K for the year ended December 31, 2018, filed with the Securities and Exchange Commission on February 27, 2019 and subsequent Quarterly Reports on Form 10-Q.

You are cautioned not to place undue reliance on forward-looking statements, which are made only as of the date hereof.
